Apologies	Becks Pickford

To determine the format, logistics, and next steps for a PTA fundraising auction, based on research over the past two weeks. Planning for a fun social event - Kids disco!	The PTA discussed logistics for an auction of boutique prizes. As there were not enough attendees to make a decision about running a large fundraiser, and no additional interest was expressed, the decision was made not to hold a large fundraiser this year. The school staff and Board will instead prioritise the forthcoming Education Office Review in Term 3. Although the PTA does not currently have the capacity to run a major fundraiser, members agreed they would still like to organise something fun for the community. They decided that a school disco would be an enjoyable event. <i>Motion: To host a school disco for all Blueskin Bay kids up to age 13 in Term 2, 2026.</i> <i>Moved: Laura Mulconroy</i> <i>Seconded: Georgina Lawson</i> • Open to all children in Blueskin Bay up to age 13. • A preschool session will be offered for younger children to enjoy a quieter disco experience. • Supervision: This is not a drop-off event — all children must be accompanied by an adult and remain in the hall. • Entry: Gold-coin donation at the door. • Proposed date: Friday, 26 June 2026. • Parents will be asked to bring baking to sell. • Possible glow-in-the-dark face painting. <i>Motion: The PTA will buy and sell: glow sticks, soft drinks, lollie cones, hot food and drink outside for parents, and oven-baked hot chips.</i> <i>Moved: Julia McEwan</i> <i>Seconded: Bex Williams</i> Actions • Book hall: Laura Mulconroy (complete) • Posters & advertising: Bex Williams • Purchases: glow sticks, soft drinks, hot drinks, bbq food and oven-baked hot chips. • Face painting: find volunteer • Playlist: compile music list • Lollie cones: Julia McEwan to purchase rainbow lollies and assemble cones • Outdoor heater: borrow one • Laptop/PA cables: check or source — Bex Williams • Disco ball: George Lawson
